

## FULL SERVICE SNOW REMOVAL CONTRACT TERMS & CONDITIONS

Love Your Lawn ("LYL") and \_\_\_\_\_ ("Client") agree as follows:

The snow removal contract starts **upon receipt of full payment** by LYL and runs to **APRIL 15, 2012**.

LYL will clear **all snowfall accumulations over 2.5cm/1inch in depth** (enough to be shoveled). Snow will be removed using snow blowers and shovels on driveway, front walk, entrance, steps & sidewalk ("Premises") at the **address:**  
\_\_\_\_\_ **Oakville, Ontario**

Client acknowledges physical **possession, control and responsibility** over the property listed above as well as over the **condition of the Premises**.

**Client will be responsible for salting** of residual amounts of snow to prevent freezing/icing of the driveway and walkways, after the snow has been cleared, throughout the term of this contract. Salting and monitoring of ice conditions are not covered under this contract but **can be added** as an additional service.

**No time guarantee applies:** Removal crew begins after 15cm has fallen or the snow fall ends (whichever occurs first). Best efforts are to have your driveway cleared **once within 8 hours** of the snow fall ending.

**Route lists are subject to change** due to road conditions: therefore special requests to be cleared before a certain time will be considered but not guaranteed. Please notify LYL 12 hours prior to the snowfall if an early clearing is desired.

The Client is required to **notify LYL** if the windrow has been rendered impassible by the snow plow clearing of the street.

**Cancellation within 30 days** of contract start date will be eligible for 50% refund. **Cancellation after 30 days** will not be eligible for a refund.

Client agrees that **LYL shall not be responsible** for any damages or claims whatsoever arising during the period of this contract in connection with LYL services.

**I have read and understand the terms and conditions listed in this contract.**
